Lavender Princess 83d is another member of the famous Lavender Princess family that has consistently produced top Shorthorns. Here is a heifer that will fit ideally into your herd. Study her pedigree and plan to buy her on sale day.

30 Choice Females

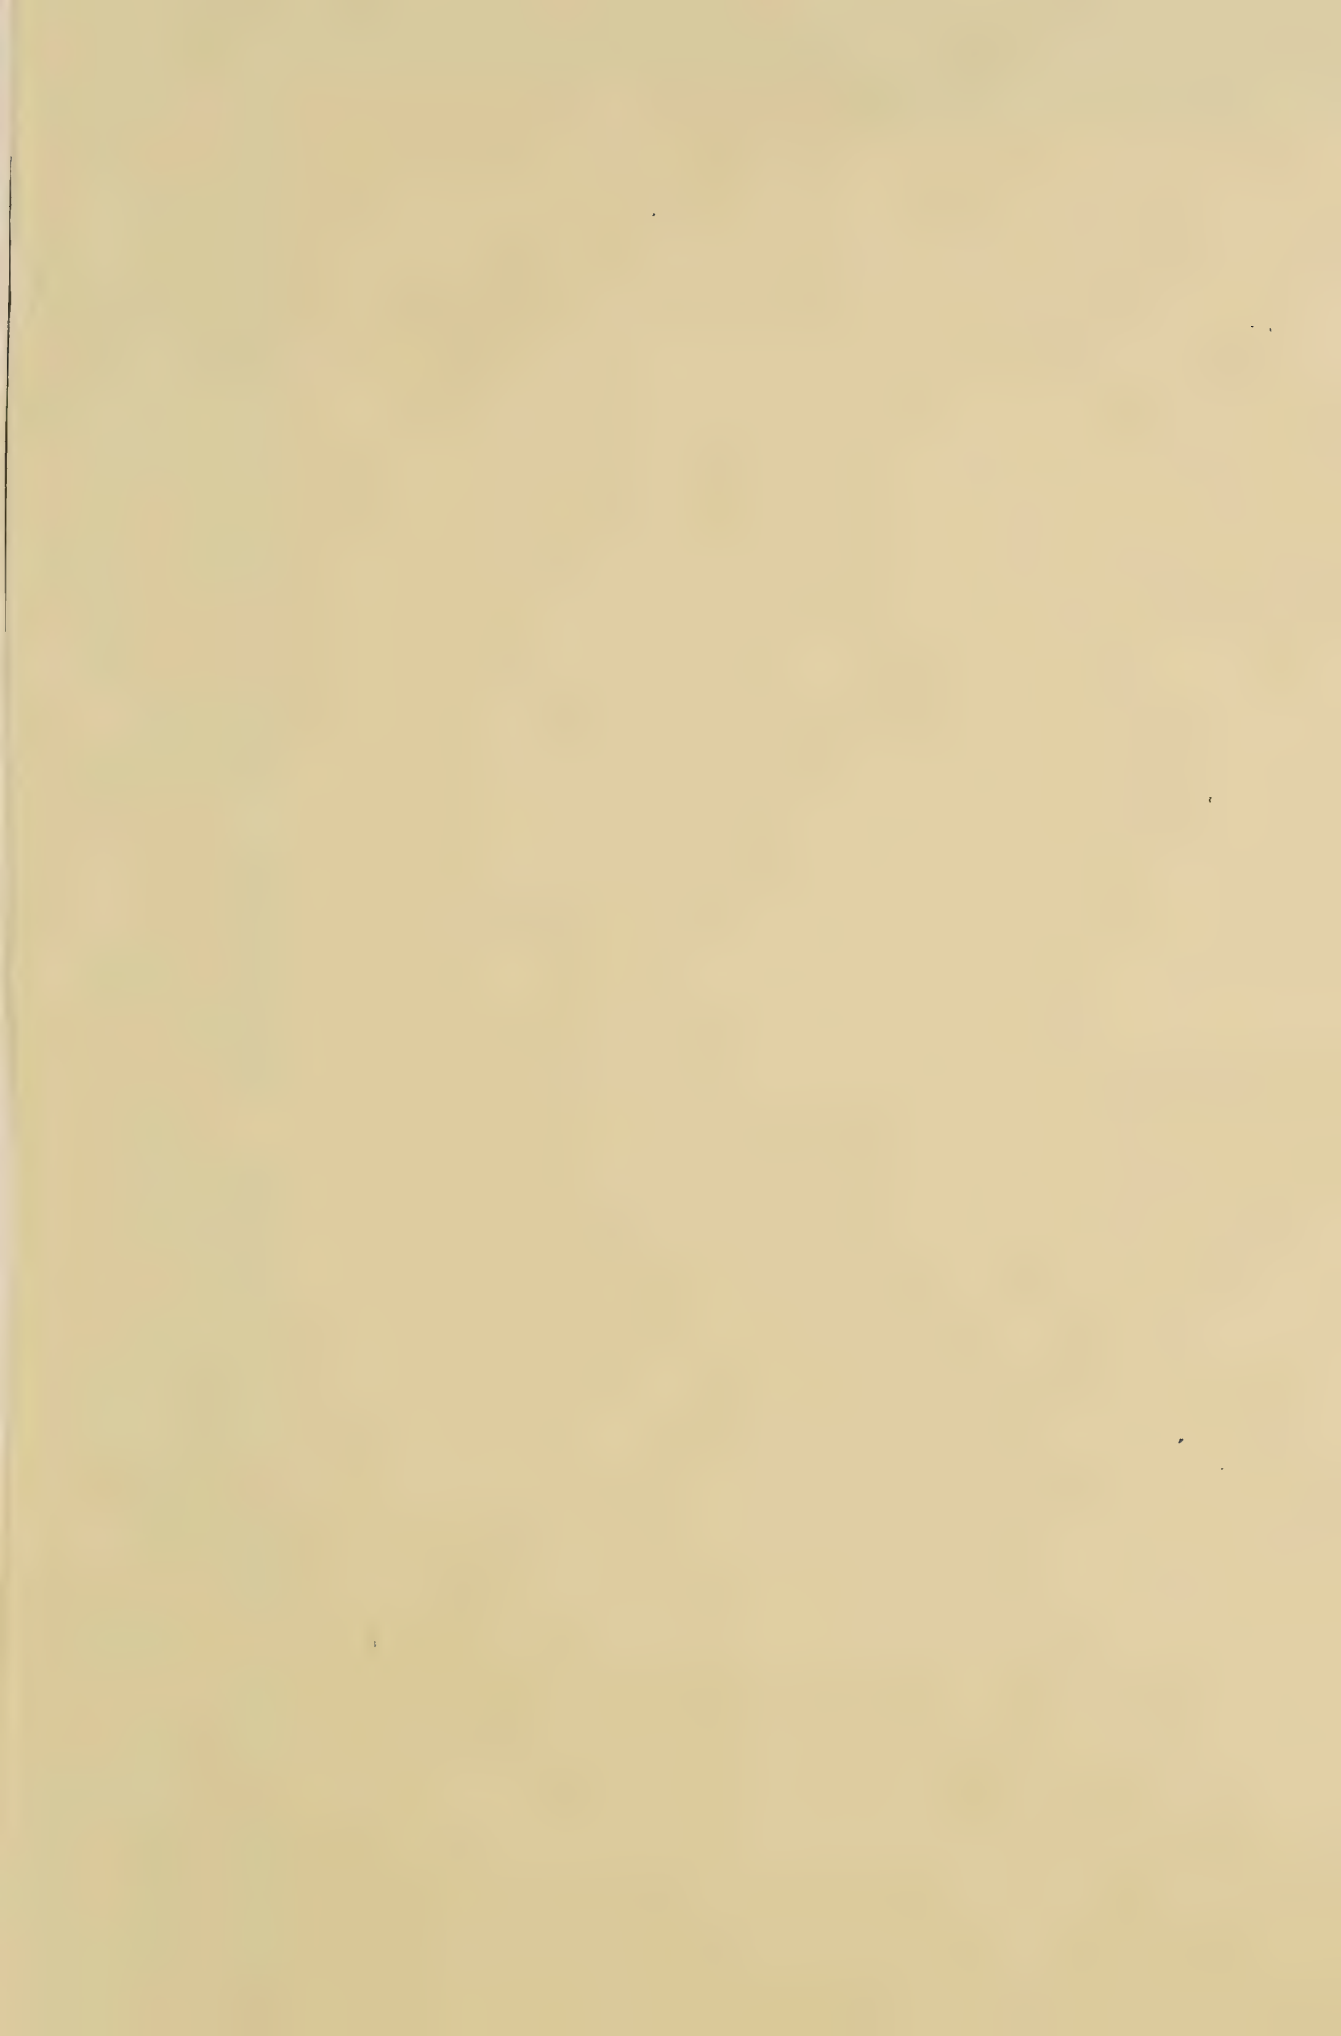

11 Top Bulls

Columbus Grove has consistently been one of the nation's leading sources of supply for modern type Shorthorn cattle. Study the pedigrees in this catalog. Never before . . . has a more outstanding group of Shorthorns been offered by the Columbus Grove Shorthorn Breeders' Ass'n.

The picture at the left is a typical example of the kind of cattle that are produced in this area. The eleven choice bulls will make top herd sire prospects and the thirty females are the kind that will make real foundation brood cows. Ohio has become known as the state of leading herd bulls. It is the get and service of these herd bulls that will be featured in this select offering. Plan now to attend this important event and purchase cattle at your own price.

When better cattle are produced they will still be Shorthorns. This picture was taken recently on the farm of Tudor Bros., Columbus Grove, Ohio, and are females owned by many different Ohio breeders. These are examples of the kind that are being produced in this area. Study their type, quality and breed character. Note the good heads of the cows pictures and good thick deep bodies. Plan now to attend the Columbus Grove sale where you will find the best of the kind pictured above.
